

International Symposium on Advances in Ground Technology and Geo-Information (IS-AGTG)

岩土技术与信息新进展国际研讨会

1-2 Dec 2011, Singapore, Furama Riverfront Hotel
www.is-agtg.com

2nd ANNOUNCEMENT

CONFERENCE THEME

The growth of mega cities has been particularly dramatic across parts of Asia. The need for quality living space coupled with the increasing density of infrastructural development poses unprecedented challenges and opportunities for the geo-industry. The purpose of this international symposium is to provide a platform to showcase recent advances in ground technology and geo-information systems.

This symposium is jointly organized by:

GEOTECHNICAL SOCIETY OF SINGAPORE (GEOSS)
NATIONAL UNIVERSITY OF SINGAPORE
TONGJI UNIVERSITY, CHINA

SYMPOSIUM SECRETARIAT

c/o Professional Activities Centre
Faculty of Engineering, National University of Singapore, 3 Engineering Drive 2, Blk E1 #05-15,
Singapore 117578
Tel : (65) 6516 5113 • Fax : (65) 6874 5097 • E-mail: sec@is-agtg.com

IMPORTANT DATES

Notification of paper acceptance	19 August 2011
Papers Deposit &	19 September 2011
Final paper due	(late papers will not be included in proceedings)
Presenters' Registration	19 August – 31 October 2011 (to secure a placement in the technical program)
General Registration	26 August onwards
Symposium	1 to 2 December 2011

ORGANISED BY

SUPPORTING ORGANISATIONS

Geotechnical
Society of
Singapore

Tongji
University

National University of
Singapore

- Tunnelling and Underground Construction Society (Singapore)
- The Society for Rock Mechanics & Engineering Geology (Singapore)
- JTC2: Representation of Geo-Engineering Data (Federation of the International Geo-engineering Societies)

REGISTRATION FEE

Category	Fees (SGD)
Members	500
Non Members	700
Registration fee is for symposium only and is inclusive of symposium documentation and daily refreshments, lunches and the symposium banquet dinner. It does not include accommodation and travel.	
Paper Deposit *	200
*This amount is off-set against the full symposium registration fee. Each symposium registration is entitled to one paper deposit offset of your own registered paper.	

REGISTRATION INFORMATION

- To Register: please visit www.is-agtg.com
- For Invitation letter from us to attend the Symposium: please kindly drop us an email at sec@is-agtg.com
- For Accommodation Reservation: please visit www.is-agtg.com and download the reservation form and fax directly to the hotel.

PRELIMINARY PROGRAM AT-A-GLANCE

Time (hours)	1 December, Thursday
0800 - 1630	Registration
0850 - 0900	Opening Ceremony
0900 - 0940	Keynote Lecture 1
0940 - 1020	Keynote Lecture 2
1020 - 1100	Tea Break
1100 - 1200	Parallel Technical Sessions Session Ia - Innovative Construction Methods and Others Session Ib - Special Session ATC 10: Urban Geo-informatics
1200 - 1330	Lunch
1330 - 1410	Keynote Lecture 3
1410 - 1450	Keynote Lecture 4
1450 - 1550	Parallel Technical Sessions Session IIa - Geo-Modeling and Geo-Informatics Session IIb - New Design Method and New Test Technology
1550 - 1630	Tea Break
1630 - 1730	Parallel Technical Sessions Session IIIa - Numerical Methods for Geo-Engineering Session IIIb - Data Acquisitions and Monitoring
1800	GeoSS AGM (GeoSS members only)
1900	Symposium Banquet Dinner
	2 December, Friday
0800 - 1530	Registration
0900 - 0940	Keynote Lecture 5
0940 - 1020	Keynote Lecture 6
1020 - 1100	Tea Break
1100 - 1200	Parallel Technical Sessions Session IVa - Case Studies for Innovative Technology Session IVb - Special session on Technology Demonstration
1200 - 1330	Lunch
1330 - 1410	Keynote Lecture 7
1410 - 1450	Keynote Lecture 8
1450 - 1530	Tea Break
1530 - 1630	Parallel Technical Sessions Session Va - Database and Numerical Methods Session Vb - Geo-Informatics and others
1630	Closing Ceremony
